The Crawford Family Forum

The Crawford Family Forum is a welcoming, non-partisan, knowledge-building space where Southern Californians of all backgrounds can engage in the face-to-face exchange of knowledge and ideas that is becoming increasingly rare in the digital era. Nothing can replace real-life interaction—having an opportunity to not just hear, but see others and have direct dialogue goes a long way toward helping build bridges among communities while strengthening, deepening and expanding our public service.

For more information on upcoming events in the Crawford Family Forum, visit scpr.org/forum.

Our local shows include Take Two, a morning news-magazine with a uniquely Angeleno perspective; our popular call-in show AirTalk – hosted by radio veteran Larry Mantle; and weekend favorite Off-Ramp.
