KUER Sustainer

Thank you for being a sustaining member of KUER! As a KUER sustainer, your monthly contributions automatically come from your checking/savings account or from your debit/credit card. It makes supporting KUER easy because your contribution automatically happens from month to month and from year to year until you tell us to stop. Your membership will always be current, and you won’t receive renewal reminders in the mail. Being a sustaining member is easy for you, and great for KUER. Thanks for providing reliable funding for the programs you love.

We need your email address!
Our sustaining program is growing quickly, and the main way to communicate with you is through email. Help us reach you quickly with any questions about your pledge or payments. We also use email to invite you to events or to disperse any tickets we may have.

To cancel, change the payment information, or to increase/decrease your monthly amount, call KUER’s Membership Department at (801) 581-5559 or email us at memberskuer@kuer.org.

Sustainer Benefits

- You are automatically entered into any fund drive drawings or giveaways.
- You can request a thank you gift once a year (make sure your annual gift is enough to qualify you for the gift you are interested in).
- We’ll send you an invitation to the annual KUER Sustainer Party.
- No more renewal notices will be mailed to you.
- If you give at least $8.33 a month, we will automatically send you your KUER MemberCard on your sustaining membership anniversary.
- You’ll be eligible for special giveaways/tickets from the station as available.
- You’ll have opportunities to get your NPR/KUER event tickets in advance.

The Nitty Gritty

- As a KUER sustainer, your monthly contribution will be processed on the 21st of the month (unless that date happens to fall on a weekend—in which case it will be on the 20th or 22nd).
- You can have your monthly payment charged to your credit/debit card OR have it deducted from a checking/savings account (EFT).
- Help us save costs and time with expired credit cards and sign up for EFT! Your payment will process the same way, it just saves KUER time and money.
- If you choose to pay through EFT make sure you are ready to provide us with a routing number and account number.
- Your membership will continue until you tell us to stop.
